denmark's annual design event

29th of July 2020

Press Release

3daysofdesign invites everyone to participate in events, product launches, exhibitions, and lectures on design. Between 3rd and 5th of September 2020, you get an exceptional access to almost 200 showrooms and exhibitions located around Copenhagen.

This year's edition of 3daysofdesign focuses on sustainability and the circular economy. You will be introduced to new ideas that challenge the way we produce and live with design today.

Stop by Pakhus 11 in Østerbro to participate in design talks or visit new showrooms in Kuglegården at Christianshavn. Choose to explore more than 30 Danish and Scandinavian design brands at the design house FREDERIKSGADE 1, right next to the Marble Church. See the exhibition 'Material Matters' at the Den Frie Udstillingsbygning at Østerport. Bike to the Nordhavn area, where you can enter behind the scenes at brands such as GUBI and Kvadrat. Have a cup of coffee at Menu at The AUDO. The possibilities are many!

Our exhibitors range widely from young design brands to well-established design houses with a focus on furniture, lighting, and objects, each with its unique universe and offerings. Together they represent the best of Danish design and the international design scene in Copenhagen.

Explore the full list of exhibitors at 3daysofdesign.dk or use the 3daysofdesign app to create your personalized programme.

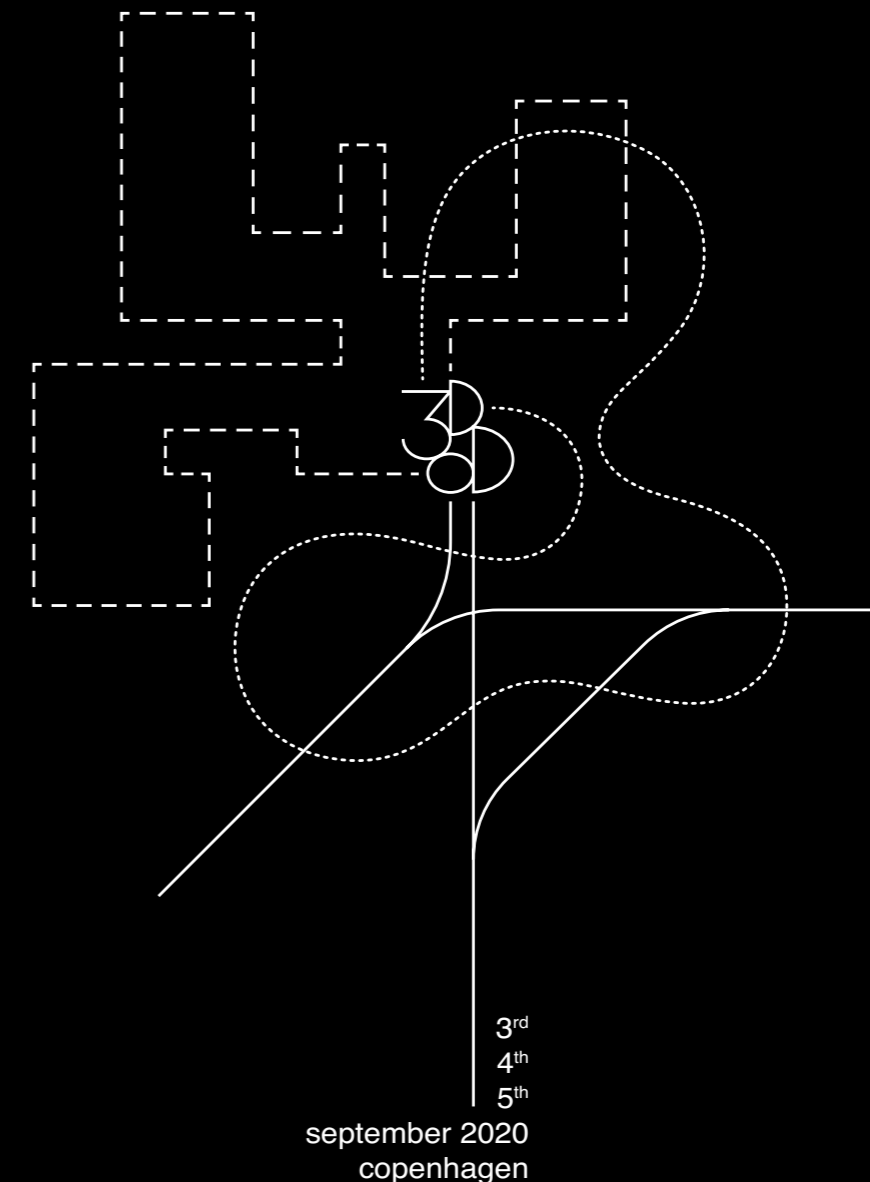

"At 3daysofdesign, we are passionate about design and the community that prevails among designers, architects, and design enthusiasts from all over the world. It is precisely in these troubled times more than ever of crucial importance to nurture our connections not only via the physical meeting but also via our digital platform - so come and visit us in Copenhagen or follow us on 3daysofdesign.dk," says Signe Byrdal Terenziani, Managing Director of 3daysofdesign.

We are looking forward to seeing you in September for 3 unique days where you will get to experience extraordinary design and to listen to insightful stories from designers and producers.

3daysofdesign 2020 Graphic Identity

Honouring this year's theme of the circular economy is artist Alfredo Häberli, whose abstract expression of the subject is featured in our 3daysofdesign graphic identity for 2020.

Häberli is an internationally-acclaimed designer based in Zurich, working with prestigious names in the global design industry, such as Alias, BD Barcelona, BMW, Camper, FSB, Georg Jensen, Iittala, Kvadrat, Luceplan, Moroso, Schiffrini and Vitra.

Most notably, Häberli's work unites tradition with innovation imbued with energy and joy. Curiosity is what drives him, along with influences from his early childhood in Argentina. The result is a strong expressive style and keen sense of emotionality.
